

CHARLOTTE BJÖRLIN D'ELIA

Dear Twist Buying Team,

I am delighted to share with you some of my favorite gems. Over the course of the last decade, I have acquired and sold antique jewelry from the French aristocracy, sought after Russian pieces and Gustavian treasures from my homeland.

Encouraged by many of my private clients, I recently launched "The Collection and Acquisitions". Both Collection and Acquisitions are available at Kaviar and Kind in Los Angeles.

The enclosed brochure is a sampling of pieces from the latter inspired by my fondness for juxtaposition.

The Collection features clean-line cuffs and earrings. Each piece is one of a kind. Never to be repeated. Find this unique quality and find that it adds to your collection.

join contact

As interdependent practitioners of professions, we create, we contribute, we learn, we improve with us. Join us and share diverse experiences.

Work Collective: The Official Website: [www.workcollective.org](http://www.workcollective.org)

Interdependent recognition of individual knowledge facilitates the advantage of the organization. It sustains and fuels innovation.

Professionals spend less time and money on management and support.

Professionals are compensated for their contribution, not "operational" working. It is understood that before individual productivity and talent.

Individuals and interdependent operators gain access to quality, cost-effective services.

**WORK COLLECTIVE OFFICE**  
A collection of diverse individuals gain opportunities and networking higher quality of service for better business in a global business economy.
